DYNAMIC · WATERPROOF · SLIP-PROOF · COMFORTABLE

RUSH FOOT® H2O COLLECTION

INCOMPARABLE GRIP. NO FOOT SHELL REQUIRED.

The RUSH Foot® H2O collection is the ideal foot for your shower leg or various, non-invasive* water sport activities. Available in the tried-and-true RUSH Foot® HiPro, LoPro and ROGUE models and featuring an integrated Vibram® sole and custom molded rubber toe wrap. The RUSH Foot® H2O collection of feet offer the same great durability and comfort of all the other RUSH feet, but now adds superior traction on slick surfaces.

From the shower to the pool, you won't find a foot that provides this amount of grip and added confidence on slippery surfaces.

NOTE: Increasing category numbers indicate increased keel response.

*The H2O collection feet are for water activities or activities that you typically would do barefoot (such as showering, swimming, surfing, karate, yoga, etc). They are NOT intended for aggressive terrain or extreme element exposure. Excessive non-water related exposure (such as pavement, rocks, concrete, etc) can result in premature composite damage and will void the foot's warranty.
