\*Suggested coding based on industry accepted test results.

\*\*PDAC codes utilized for Medicare billing only.

The product/device "Supplier" (defined as an O&P practitioner, O&P patient care facility, or DME supplier) assumes full responsibility for accurate billing. It is the Supplier's responsibility to determine medical necessity; ensure coverage criteria are met; and submit appropriate codes, modifiers, and charges for services/products delivered to various payers. This document is for informational purposes only and is not intended to replace the Supplier's judgment. This document may be subject to revision based on additional information.
